Office of Legislative Counsel

Friday - 30 October 1953

- - - -

1. In view of the fact that Congressman Blatnik (D., Minn.) has just completed a series of meetings with Marshal Tito and other senior Yugoslav officials and is planning to meet with senior officials of the Italian Government, it is recommended that he receive a CIA debriefing upon his return to this country.

2. In connection with the problem of the Logistics Office, arising out of their purchase of a preservative, and the letter of Senator Bricker to the Department of Commerce requesting information concerning such contract, I will inform the Logistics Office that the Department of Commerce should reply to Senator Bricker's office stating that the appropriate agency of the Government will take the matter up directly with the Senator on his return from abroad.

3. In connection with the letter from Admiral Stevens, President of the American Committee for Liberation from Bolshevism to Congressman Sheehan, Mr. Kirkpatrick will take up with DD/P the problem of
